Dear Parents,

As we begin the month of August, it is time to start thinking about the beginning of a new school year. First of all, I want to thank the parents who helped out at our recent Rummage Sale, which as you know, is a huge undertaking! For those who helped out in sorting, etc. in preparation for the sale, those who helped at the actual sale, and for those who came to support it, many thanks. I would also like to thank some of our students who passed out flyers and who served as "runners". It was great to see our parents students there. So far, we made over \$37,000.00 with proceeds still coming in. Please remember, our school gets half of the proceeds.

At this time, we are in the hiring process for a second grade teacher, art teacher, custodian, and hopefully before and after -school program. If any parent is interested in the before-after-care position or if you know of anyone who is, please contact me.

Also, at this point in time we do not have a specific protocol for returning to school now that the infection rate is increasing especially with the Delta virus. As soon as we know, we will let you know. I will have some information for anyone who is interested in receiving the COVID vaccine early next week.

If you have not already done so, please complete the Health Update form, the Release form, Emergency form, and the NOTIFY form before school starts. You can find all of these documents on our website www.saintjosephschoolbaltic.com. You can email me the documents at sistermarypatrick@gmail.com, fax them at (860) 822-1479 or just mail them in. **It is most important to get these in before school starts.**

Now, for the good news! As you know due to a very generous donor, we have a #50,000.00 Match Program. **To date, we have \$1945.00, so we are off to a good beginning!!! The goal is \$50,000.00, so we are on our way!!! We appreciate any donations for this program as it will certainly help our school.** . For this upcoming year, new students will have a 50% discount on this year's tuition. If you know of anyone who is interested in our school, please let them know this information.

In the mean time, please enjoy your summer.
God bless you.

Sincerely in Jesus and Mary,

Sister Mary Patrick, SCMC
