Dear Community Relations Representative,

St. Joseph School is a small pre-k through 8th grade parochial school in Baltic, CT that educates and prepares children for high school and life by providing an excellent academic curriculum; a true spirit of charity, kindness, and acceptance; Gospel values; all within a fun, family environment.

Our school's major fundraiser "Christmas Extravaganza", a basket raffle & auction, will be held on Saturday December 04, 2021. Proceeds from this event will be used to defray operating expenses at the school (normal expenses and those related to COVID-19), to purchase upgraded computer and technology systems used within the classrooms, sponsor children to attend after-school activities and field trips and update the security systems for the safety of the students and staff.

Our past success is due to the generosity of businesses like yours who support St. Joseph School Baltic. We certainly understand the difficult environment in which our local businesses have been living these past several months. These have certainly been trying times for all of us, socially, economically, and spiritually.
