October 27, 2021

Dear Parents,

We are coming to a close of the month of October, and there is much that has happened during this month and there are still events that are still in the planning stages.

On Saturday, we had two events going on, the Annual Sport Stacking Tournament and the first Annual Bikers Run. The number of participants in the Sport Stacking tournament were not the usual ones due to COVID, but it was still a very successful one with participants coming from as far as New Jersey, New York, Idaho, and California! I am amazed at the skill that these young people have which involves strong fine motor skills and coordination.

Secondly, the First Annual Bike Run was held on Saturday, October 23<sup>rd</sup>. There was a great deal of planning. Many thanks to Mrs. Angela May, Mrs. Amy Garganese, and Mrs. Darlene FitzGerald who put much time and effort into this event. There are already plans to host this event next year. The profit for this project is \$284.48.

Enclosed you will find a flyer advertising our Winter Greens fund raiser. All forms are due on Friday, November 12<sup>th</sup>, and these items may be picked up on Monday, November 29<sup>th</sup>, after school.

These past couple of weeks, you have received notices regarding the \$20.00 family donation and reminders for the items for each classroom basket for the Christmas Extravaganza. All of the classroom basket items and \$20.00 donations are due on Friday, November 5<sup>th</sup>, to give the committee time to purchase the needed items. Please help us out by submitting these items ASAP. Your cooperation is deeply appreciated.

Mrs. Niedbala and her sixth, seventh, and eighth graders have been presenting their Saint's projects, and been doing a wonderful job. We are very proud of their achievements.

Also enclosed is a diploma form for the parents of our eighth graders to complete and return to school.
