Dear Parents,

Although in many ways this has been a slow month, all of our students have taken the NWEA tests this past week and you will receive the results either this week or in next week's Wednesday folder. We have also finalized for the most part major events for the rest of the year. You will find the flyer advertising this in this week's Wednesday folder.

So far, we now have \$40,000.00 in our boiler fund and we are most grateful for so many generous donors.

Our World's Finest Chocolate sale is doing well, but we really need the proceeds in no later than Thursday, February 8th.

Our Drama Club is working on the upcoming production of The Reluctant Dragon which will be performed this spring. However, no date has been set for this. Please make sure that your child has his/her script with him/her every Tuesday and that he/she is memorizing his/her lines. With a late start on this production and two missed rehearsals, the cast really needs to work hard on this. We appreciate your cooperation in this matter.

Since Valentine's Day falls on Ash Wednesday, we will celebrate Valentine's Day on Tuesday, February 13th. Please remember that if you send in treats or Valentine cards, every student in the homeroom must be included.

There is a form letter enclosed for students who have 10 or more absences to make you aware of this situation.
