

October 25, 2021

Dear Parents,

Tomorrow's weather forecast is not looking very good as there is a prediction of heavy rain along with very windy conditions that could possibly cause a school delay or closure. Therefore, we have sent our students home with work for tomorrow should school be cancelled. Should there be a delay or cancellation, you will hear from us using NOTIFY. So students should not do any "weather" work unless school is cancelled.

God bless you!

Sister Mary Patrick, SCMC
