

# St. Joseph School

10 School Hill Road, Baltic, CT 06330

September 2, 2021

Dear Parents,

The storm last evening has affected our school somewhat. No one may park outside of the main entrance as the driveway has been compromised by the flooding from School Hill Road. Also, there was minimal flooding in the second grade classroom, so all second graders will not be able to use this classroom tomorrow. *Servicemaster* will be cleaning and sanitizing this classroom, so these students will use the art room tomorrow for their classes. They are to enter the school using the gym in the morning and they will also be picked up at 12:30 p.m. from the gym. This classroom should be ready for use on Tuesday, September 7<sup>th</sup>.

May I remind everyone that there is a 12:30 p.m. dismissal tomorrow, Friday, September 3<sup>rd</sup>, with no aftercare program following.

Thank you for your understanding.

God bless you.

Sincerely in Jesus and Mary,

Sister Mary Patrick, SCMC  
Principal
