Dear Parents,

As we come to the close of the month of January, we realize how fast the time is going here at Saint Joseph School. This week we are in the process of administering the NWEA tests to our students and hope that they are doing well.

While we planned to have a Parent Group meeting last night, we did have to cancel due to the weather. The forecast in the Baltic region did not indicate poor weather. However, with parents coming from outside districts, we decided to cancel. I asked the Parent Group officers for a date for the February meeting, and we decided to have the next meeting on Tuesday, February 13th, at 6:30 p.m. in our gym. Also, next week, you will receive a calendar for upcoming events that we started to plan in November.

Our World's Finest Chocolate Sale is also doing well, and we seem to be right on target with the time frame for this fundraiser. Many thanks to you, our parents, for helping with this project. Our students are rather excited about this project and have reasons to help out with this, especially our chocolate lovers. At this point we have only two cases out of eight left to sell. However, I ask that you please return the proceeds ASAP.

If you have any questions or concerns regarding your child's progress report(s), kindly contact your child's teacher(s). Please note that only those students who are having academic difficulty received progress reports.
