

Dear St. Joseph School Parents:

Notify is a rapid notification service designed specifically for schools to send out messages to a large number of people quickly and effectively. In time-sensitive situations, parents and guardians can receive information and details directly from St. Joseph School. This year we are able to send out alerts to our parents by phone, email & text. You are able to choose the way you would like us to contact you. This is per family choice, not per parent.

**IF YOU DO NOT WISH TO HAVE A PHONE NUMBER CALLED,
PLEASE DO NOT LIST IT. ONLY TWO NUMBERS PER FAMILY.**
