

UConn 4-H STEM at Saint Joseph School

UConn 4-H LEGO STEM Afterschool Program

October 1 – November 5, 2026
Thursday Afternoons – 3:00 – 4:00pm
Saint Joseph School – Baltic, CT

- UConn 4-H is excited to partner with Saint Joseph School to bring 4-H STEM programs to interested students.
- The goal of this partnership is to provide young people with hands-on, experiential learning opportunities under the leadership of UConn 4-H professional educators and Saint Joseph School personnel.
- Program participants will explore a variety of STEM robotics topics through fun and engaging activities that will challenge them to discover the world around them along with personal development skills such as working cooperatively, creative problem solving and more.
- Register today through Saint Joseph School!
